## Quotation Marks for Dialogue

Use quotation marks around the exact words someone says when they are speaking.

If the dialogue tag comes at the beginning of the sentence, include a comma before the quotation.

example: Avery said, "Look at that giant tree."

If the dialogue tag comes at the end of the sentence, use a comma instead of a period to end the quotation.

example: "I am very tired right now," William said as he yawned.

Rewrite each sentence. Add quotation marks and commas where they are needed.
