

WINTER

1

Outside the weather is cold.
Some days are snowy and icy.

2

Sometimes it is still dark
when we wake up.

3

Animals grow shaggy coats
to keep warm. Some animals
are hibernating.

4

We wear hats, coats, boots
and mittens when we go
outside.

5

We play in the snow
and shovel the sidewalk.

6

Inside we sit by the fire and
drink hot chocolate.
