

# **AMI**

## **Art Assignment**

**Choose ONE activity to complete:**

### **Selfie Challenge**

**Draw a self-portrait! Draw your head, neck, and shoulders on the back of this page or on any paper you have around. Add details to your face and shirt. Use any supplies you have available to add lines, colors, and patterns of your choice. Try to make your “Selfie” portrait truly look like you!**

### **ENVIRONMENTAL SCULPTURE**

**Go outside and collect materials from your surroundings and environment (example: leaves, sticks, rocks, snow, etc.). Create a sculpture design using your natural materials on the ground or in an area you think is interesting! Have your parent or guardian take a picture of your “Environmental Art” sculpture as evidence. Send your sculpture picture to Ms. Chastain’s email ([achastain@harmonygrovesd.org](mailto:achastain@harmonygrovesd.org)) or ClassDojo (Ms. Chastain (Art))**

**Be creative and have fun!**
